

**Mojave National Preserve Conservancy Board Meeting  
July 18, 2022 Minutes**

In Attendance:

Gary Spiers, Chris Clark, Shaun Gonzales, Britney Penouilh, Emily Buchi

Gary emailed Drew to inquire about the campground for our *Star Party* on October 22nd.

We determined two dates for *watering Joshua trees*: September 3-4th and October 21st, prior to the Star Party. Campsite for 9/3-4 TBD.

Chris mentioned that the High Desert Nature Museum in Bend, Oregon has a climate-controlled pet kennel so owners can hike. Perhaps we fundraise to create this at one of our parks - "We'll feed and walk your dogs while you hike."

We will further discuss the *Tortoise Campaign and Star Party logistics* at our next meeting in August.
